FADE IN.

INT. INTERROGATION ROOM. NIGHT.

A single light bulb swinging in a pitch black room. The
light illuminating the 2 men who are sitting opposite each
other. VINNY has his hand under the table handcuffed,
DETECTIVE CON is sitting with a cup of coffee.

                    DETECTIVE CON
          Just tell us who did it

Vinny doesn't break eye contact

                    DETECTIVE CON (CONT'D)
          We know you know Vinny, we can
          protect you

                    VINNY
              (scoffs) you can't even
          protect yourselves

*beat*

                    DETECTIVE CON
          Alright, we tried it the easy way

Detective Con stands up, Vinny's eyes following him as he
stands up.

From behind Vinny a cigar is lit by a zippo lighter to
illuminate the face of AGENT DEC. Vinny breaks eye contact
with Detective Con

Agent Dec slams Vinny's head on the table, his nose starts
bleeding

Agent Dec walks round the table to sit in his seat

                    VINNY (UNDER HIS BREATH)
          uuuh fuzzy

Agent Dec sits in his seat, and stares Vinny in the eye
without breaking eye contact, Vinny is blinking to regain
vision

                    AGENT DEC
          Who?

Vinny takes a sharp breath in as the questions asked

                    VINNY
          I can't... please

Agent Dec grabs Vinnys head and slams it into the table again

Vinny's eyes widen

>                     VINNY (CONT'D)
>           Please, I can't

>                     AGENT DEC
>           What do they look like?

Vinny looks over to Detective Con, who doesn't blink while staring at him. Agent Dec puts his .357 Magnum on the table.

>                     VINNY
>           Alright,... he has black hair

Vinny looks over to Detective Con as he starts tapping away, Dec does break the stare at Vinny.

>                     AGENT DEC
>           What else?

Vinny looks hesitant, Dec keeps staring him in the eyes

>                     VINNY
>           (sighs) glasses, he has
>           round glasses with a
>           pencil mustache

More ticking in the background as Vinny describes

>                     DETECTIVE CON
>           Vito Gambino

Agent Dec breaks his stare and allows a small smirk at the corner of his mouth

Vinny drops his shoulders and he hangs his head

>                     VINNY
>           Oh god

Detective Dec walks past the table.

Suddenly the light turns on to reveal the game sets Guess Who in front of Declan and Conor.

>                     DEC & CONOR
>           We win

They all start laughing
